DIVINE

Stone coated steel roof tile

DIVINE is steel roof panel formed from Galvalume steel covered with beautifully colored natural stone granule. It is the best ever roof, not only because it is backed by a long time warranty giving you peace of mind, but also because it provides perfect combination of style and color to suit your tastes!

DIVINE Features

Weatherproof

It provides a reliable barrier against extremely harsh weather such as hail, heavy snow and storm. Its superior features significantly reduce the threat of roof damage and collapse.

Eco-friendly

It requires little to no lifetime maintenance. And its outstanding durability can virtually eliminate the need to use future raw materials.

Fire resistant

It offers your family with protection against fire as it is made of noncombustible material that will never burn. Knowing that DIVINE is over your head, you will sleep much better.

Aesthetic

It is fit for all kinds of properties with its charming appearance. From traditional terracotta to earth tone, a wide variety of colors is available. It will help you maximize the beauty of your property.

Lightweight

It weighs approximately 1/6 of a concrete tile roof or a clay tile. It allows you to install less support structure to the roof. It makes your home withstand a violent earthquake. No other can offer more value and safety at this light weight.
